Name: _____ Date: _____

Learning goal

Use subject–verb agreement and keep a narrative in a consistent tense.

Study the model

Yesterday, Mia walked to school and greeted her friends. Yesterday signals past tense; both verbs agree with the time.

1 • Notice and practise

Choose the correct verb. Explain your choice for two sentences.

a. The teacher (explain / explains) the task.

b. The students (shares / share) their ideas.

c. Last week, Amina (visits / visited) the library.

d. Every day, the bus (arrive / arrives) at eight.

2 • Apply the idea

Rewrite this paragraph so all events happen in the past.

Yesterday our class visits the museum. The guide shows us a map. We looked at old photographs and write notes.
